

ECO CLUB “ENVIRONIA” INAUGURATION AT M DASAN INSTITUTE AND TECHNOLOGY

5th June 2021 Saturday M Dasan Institute and Technology celebrated the World Environmental Day by organizing the M DIT Eco Club “ENVIRONIA” inauguration ceremony.

Ms. Shahnas P (Chairperson M DIT Eco Club, Asst. Prof., Dept. of Electronics and Communication) delivered the welcome address. It was a truly thoroughgoing formal address with a cordial welcome to all the guests.

The presidential address of the honorable principal Dr. P M Maheesan was based on the relevance of World Environmental Day and it was an Inspirational one.

The inauguration of our program was done by the honorable chairman Shri. M Mehaboob. His speech was an extraordinary one which inspired the listeners the most and he also succeeded in conveying the actual need of an Eco club in our Institution.

The logo of Eco Club “ENVIRONIA” launched by our Chief Guest Shri. Harishankar S and an Webinar was conducted followed by an Q & A session.

The function was graced with the presence of Shri. Harishankar S (chief guest, Environmentalist, Founder of Swathy Foundation, Mission Ball Pen Co- Founder and A I R Announcer), Dr. P. M Maheeshan (Principal, M DIT), Shri. M. Mehaboob (Chairman, M DIT), Shri. A K Mani (Secretary, M DIT), Prof. Basheer. K (Principal, M DIT Polytechnic College), Prof. Hamsa A. M. P(Principal, M DIT Arts and Science College), , Prof. Harshan K G (Vice Principal M DIT, HOD Dept of Mechanical Engineering), Dr. Ashokan O (HOD, Dept of Electrical and

Electronics Engineering), Dr. E M Chandrahasan (HOD, Dept of Applied Science), Dr. Shika S(HOD, Dept of Civil Engineering), Ms. Lijisha P (HOD, Dept of Electronics and Communication Engineering), Ms. Nithya V P (HOD, Dept of Computer Science and Engineering), Prof. Gopalakrishnan (Professor, Dept of S & H) and other faculty and staff members and students of the M.Dit family.

Ektha V (Student Coordinator M DIT Eco Club, S2 M Tech Environmental Engineering) proposed the vote of thanks.

Several activities were arranged as part of the inauguration such as Mobile photography competition and Digital poster making contest for the students. Envirovia is determined to function perennially instead of sporadically.

The year round activities planned for the year *2021-2022* are:

*M.dit floriculture

*Plastic free campus

*Restocking

*Waste water treatment and reuse.

The function was conducted online with more than 100participants.
