

# HAPPENINGS

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

## Message From HOD

**Ms Nithya V P**  
HOD, Dept of CSE

It gives me great pleasure to give my best wishes to HAPPENINGS, a newsletter from Department of Computer Science and Engineering. This NewsLetter is an attempt to highlight the achievements of the department. I wish good luck to the entire team of editors and look forward to your kind patronage to our newsletter.

# Vision

Build up competent Computer Science and Engineering graduates through innovative teaching and learning processes. Impart team spirit through assignment of professional responsibilities on competitive basis. Strengthen awareness of environmental protection through capstone design projects associated with the syllabus. Advanced innovative research and lifelong learning in Computer Science and Engineering to serve the needs of the community, industry, and the government.

# Mission

A leader in the Computer Science and Engineering program to bring out globally competent graduates committed to the welfare of the community and the nation. To transform youth to talented engineers with creativity and integrity who can meet the technological challenges for the service of society.

**SOFTWARE MODELLING USING UML DIAGRAMS**

23 JULY 2022  
10 AM - 12 PM

**Mr. Niyas Narimukkil**  
PROJECT MANAGER AT IOCOD INFOTECH

**JOIN OUR LIVE SESSION**

**ASCEND**

Dept. of Computer Science and Engineering  
**M.DASAN INSTITUTE OF TECHNOLOGY**

Department of computer science and engineering conducted a webinar on Software modelling using UML diagrams. The session was conducted on 23 July 2022 from 10- 12 pm on google meet.

Mr Niyas Narimukkil handled the session which was indeed a remarkable and useful one. The training program was undoubtedly informative which gave the students a complete idea of UML diagrams.
